

JACKSON COUNTY EMPLOYEE CLINIC

General Information

- **Appointments are required for all Sick and Well visits.**
- For all full- and part-time Jackson County Employees (not including contractors) and covered dependents 12+ years
- No fees for any services performed—no co-pays for lab work ordered by another doctor.
- Remember to identify yourself as a county employee when checking in so that you are not charged.
- Employees do not have to use Sick Leave when coming to the Employee Clinic.

Services Offered

- Any illness for which you would try to see your doctor today or go to Urgent Care such as colds, flu, poison ivy, bug bites, rashes, cuts, allergy shots (bring your own allergy serum)
- Minor injury for which you want evaluation and/or treatment
- Blood pressure checks
- Bridge prescriptions—you have a doctor's appointment but your medication ran out
- Wounds needing evaluation or stitches
- Vaccinations for adults, including the flu and shingles vaccine
- Assist you with finding a primary care provider, if you don't already have one
- Referral for nutrition counseling for help with weight, diabetes, etc.
- Help with tobacco cessation, including prescriptions for approved products
- Annual physicals that include blood work (includes CDL physicals and law enforcement physicals)
- Family planning services like birth control pill exam and prescription, Depo, or IUD

**The only exceptions to the 12 year old rule include immunizations, school physicals, kindergarten physicals, and sports physicals.*
