COMMUNITY BABY SHOWER EVENT

The Jackson County Department of Public Health and Safe Kids Jackson County will be hosting its Second Annual Community Baby Shower Drive-thru event on Thursday, April 28th from 3:30PM to 6:30PM in the Health Department parking lot. This event has been made possible by generous funding from the Great Smokies Health Foundation and United Healthcare Community Plan.

This event is for expecting mothers and families in Jackson County where they will receive education and free giveaways from community partners such as; WIC, Immunization Nurse, Region A Partnership for Children, the Family Support Network, EBCI Nurse Family Partnership, Care Management for at Risk Children (CMARC), Harris Regional Hospital's New Generations Family Birthing Center, and AmeriHealth Caritas NC.

Car Seat checks will also be available by Certified Child Passenger Safety Technicians. If inclement weather is a factor, the event will be held in the lobby of the health department, however all participants must wear a face mask while in the lobby of the building.

For questions or more information please call 828-587-8275.
